A Message From Pat & Spanky;

When elected to the office of Emperor & Empress we had only a vague idea of what it would be like to hold this possision. Working as a team we have strived to represent the Sacramento Gay Community with dignity. We feel that our efforts have been most sucessful.

We would also like to thank all our Sister Cities and their Imperial Courts for all the support they have given us through-out the year. We would also like to thank You Our Friends, who have given your support and best wishes. For without you this organization would be unable to function and a Special Thanks to The Hide & Seek and The Parking Lot for supporting us byond our expectations.

Last but not least we would like to thank The Privi Council and the Members of Our Court, for without them we would have never made it through the year.

We are only as strong as our Court.

We thank you all
There Imperial Majesties
